Josh Douglas

703-887-2808 | Joshdoug04@gmail.com | Reston, VA | LinkedIn Profile

Marketing graduate from West Virginia University with a track record of building client relationships and driving business growth. Combines certified expertise in Hootsuite, Semrush, and Microsoft Office with hands-on experience identifying prospects, analyze consumer sentiment, and tailoring pitches that convert. Brings a rare blend of relationship-building instincts and skills to grow accounts, close deals, and deliver measurable revenue results for sales-driven teams.

EDUCATION

West Virginia University | Morgantown, WV *May 2026*

B.S. in Business Administration · Major: Marketing · Emphasis: Digital Marketing · Minor: History

LEADERSHIP & INVOLVEMENT

Historian | Sigma Nu Fraternity – WVU Chapter, *October 2024 – May 2025*

- Maintained official records, archives, and event documentation to support alumni engagement and institutional continuity.
- Coordinated logistics for philanthropic events, ensuring compliance with university safety protocols and raising funds for charitable causes.
- Helped with recruitment, making sure events were running smoothly and interacting with potential candidates.

INTERNSHIP EXPERIENCE

Marketing Intern | Dual Logic, Washington, DC *May – August 2025*

- Deployed AI-powered marketing automation system, cutting manual task time by 60% and reallocating team bandwidth to strategic initiatives.
- Leveraged AI tools for market research and consumer sentiment analysis, improving audience targeting accuracy and boosting engagement rates.
- Streamlined content creation workflow with AI writing assistants, increasing output volume while maintaining consistent brand voice across all channels.
- Produced promotional content for blog posts, websites, and direct response campaigns.
- Utilized AI image generation tools to create marketing materials, reducing design costs by 30%.

WORK EXPERIENCE

Camp Counselor | Innerquest, Charles Town, WV *July – August 2024*

- Supervised safety and wellbeing of 20 campers ages 9–15 across high-risk outdoor activities including rock climbing, canoeing, and hiking.
- Managed daily logistics: coordinating gear, site preparation, and watercraft transport for multi-day expeditions.
- Planned and facilitated diverse activity programming for rotating groups across the full summer season.
